

## UKPS Travel Grant Application Form

### **Purpose of the Grant**

The UK Photopheresis Society (UKPS) Travel Grant aims to support healthcare professionals and researchers engaged in photopheresis or related fields. This grant is intended to assist with the costs associated with attending national or international conferences, workshops, or scientific meetings that enhance understanding and advancement of photopheresis. Funding may be requested for registration fees, travel expenses, accommodation, and other related costs.

The grant aims to promote:

- Professional development
- Scientific collaboration
- Research dissemination
- Advancement of photopheresis practice and patient care

**Priority will be given to applicants presenting original research (poster/oral presentation) or demonstrating clear relevance to advancing photopheresis practice, education, or research.**

### **SECTION 1: APPLICANT DETAILS**
